Dear Patients:

For all new patients let me extend a warm welcome to the practice. For established patients, let me thank you in putting your trust in me for your medical concerns for both you and your family.

I have seen my practice in Metairie grow with leaps and bounds in the decade I have been here and am proud to have made significant investments in facilities and personnel to best serve our patients.

Unfortunately, we have been saddled with numerous instances of patients not showing for scheduled exams, many times with no prior notice given DESPITE our office contacting the patients 24 hours before.

We do not run a volume based practice where we see 40 patients or more a day. Allergy work-ups are time consuming and labor intensive so that we cannot double book and still provide the service that you have come to expect and we hope to provide. By not attending an appointment, we are forced to schedule sick patients further and further away as we hold the spot for scheduled patients.

So we have the following policy in effect: there is a no show fee of \$35 if no prior notice is given to our office about your missed appointments (24 notice please). If there are three instances in a calendar year of no shows, we will respectfully request you seek an alternate provider for your medical care.

Thanks for your attention.

Sincerely,

David L Schneider, MD
